# Bringing JOY to India!

**D**uring the month of October, a team from First Dallas arrived in the bustling city of Bangalore, India. Bangalore is India's third largest city, and has a population of roughly 8.5 million people. Its economy generates over eight billion dollars annually. Partnering with Pastor Thomas Moses of Bethesda Ministries, our team was able to function in two areas. One area was a ministry to orphans and street children, touching 273 children with songs, laughter, gift bags, and the love of Jesus. For some children, the gift bags would represent the only possessions they could call their own.

Further, we were able to have a two-day seminar for pastors and leaders, with celebration services in the evenings at World Gospel Hope Church. Our team was able to address a number of relevant topics for pastors and Christian leaders such as character, leadership, listening to God, and the importance of evangelism.

After completing our projects in Bangalore, our team traveled 250 miles northeast to the city of Hubli. Once again the work was divided in two segments, ministry to orphans and a conference for pastors

and their wives. The children's program touched 105 children, many of them orphans, with music, Bible stories, activities, and of course, small gift bags. Pastor Solomon Bija organized the conference with approximately 75 pastors and their wives in attendance. The time was organized with sessions for both pastors and their wives, as well as separate sessions for men and women.

In both cities, there were touching tributes to Larry and Carmen Walker's ministry, VisionWalk International. Larry had a profound influence on Indian leaders. They said, "Larry was one of us. He slept on our mats, ate our food, ministered to us, and loved us."

India is an emerging economic powerhouse with a population of well over 1 billion souls. Won't you join us in praying for, encouraging, and investing in two priceless treasures – India's children, and their pastors and Christian leaders? Thank you for your generous support of our church's mission ministries expressed through Mission 1:8. You are making a difference that will last for all eternity!

“... I bring you good news of great joy  
which will be for all the people.”

Luke 2:10
