**WHY
church?**

SUNDAYS

WHY CHURCH?

9:15AM | The Loft

The question may not be verbalized, but it can be seen in our culture, "Why church? Why do I need to go? Why does it exist?" The book of Acts gives us great answers to all of these relevant questions. As a community that supported one another and was committed to the scriptures, the early church provides a good example of the importance of church for teenage Christians in a pagan world.
